## 1. INTRODUCTION

Brand South Africa, previously known as the International Marketing Council of South Africa (IMC), was established in 2002 and tasked with leading the global and domestic marketing of our nation's Brand. The primary object of the Trust is to develop and implement a pro-active and coordinated marketing and communication and reputation management strategies for South Africa.

Brand South Africa's international mandate is to build South Africa's Nation Brand reputation in order to improve the country's global competitiveness, reflecting a great focus on driving international investment and trade.

Domestically, Brand South Africa's mandate is to build pride & patriotism amongst South Africans and contribute to social cohesion and nation brand ambassadorship, giving our country a consolidated and clear brand image. This involves the creation of a unified message and promise that becomes identifiable with South Africa, thereby building credibility, conviction and committed patronage.

Brand South Africa is also the central hub of national reputation and competitiveness intelligence. This intelligence is vital for articulating, aligning and mobilising key messages about the nation for the use and benefit of all stakeholders and strategic partners.

## 2. WHO WE ARE

Brand South Africa is a Schedule 3A Public Entity, which was established in terms of the Brand South Africa Trust Deed, which is governed by the Trust Property Control Act No.57 of 1988 and the Public Finance Management Act, No.1 of 1999. The organisation reports to the Department of Communication, from which it receives its budget.

## 3. PURPOSE

The purpose of Brand South Africa is to develop and implement pro-active and coordinated marketing, communication and reputation management strategies for the country.

## 4. MISSION

To achieve our purpose, we will embark on the following execution mission:

- Develop and articulate a South African national brand identity that will advance South Africa's long-term positive reputation and global competitiveness.
- Seek to build individual and institutional alignment to and support for the brand in South Africa and pride and patriotism amongst South African.
- Build awareness and the image of the Nation Brand in other countries.
- Seek the involvement and cooperation of various government departments, civil society, business and the non-government sector.

## 5. SCOPE OF WORK:

a) Brand South Africa hereby invites experienced and reputable service providers to submit quotations course for Brand South Africa employee. The training is aimed at testing a candidate's knowledge and understanding of the terminology and general principles of AI.

### b) Course outline must include the following

- Ethical and sustainable human and artificial intelligence
- Artificial Intelligence and robotics
- Applying the benefits of AI - challenges and risks
- Starting AI: how to build a Machine Learning toolbox - theory and practice
- The management, role and responsibilities of humans and machines
- Identify problems where artificial intelligence techniques are applicable
- Apply selected basic AI techniques; judge applicability of more advanced techniques.
- Participate in the design of systems that act intelligently and learn from experience.
- Develop systems that process unstructured, uncurated data automatically using artificial intelligence (AI) frameworks and platforms.
- Determine the framework in which AI bots may function, including interactions with users and environments.
- Design and implement cognitive automation for different industries.
- Design AI frameworks and structures to integrate robotic process automation (RPA) in business process management systems (BPMS).
- Design user interfaces to improve human-AI interaction and real-time decision-making.
- Evaluate the advantages, disadvantages, challenges, and ramifications of human-AI augmentation.
- Design and develop symbiotic human-AI systems that balance the information processing power of computational systems with human intelligence and decision making.

- Explain the benefits, limitations, and tradeoffs of designing engaging and ethical conversational user interactions, including those supported by chatbots, smart speakers, and other AI-driven, voice-based technologies.
- Analyze datasets with the following supervised learning methods: for functional approximation, multiple linear regression, splines, and local regression; for classification, logistic regression, linear discriminant analysis, decision trees, bagging, random forests, and boosting, and support vector machines.
- Analyze datasets with the following unsupervised learning methods: for dimensionality reduction, principal components analysis; for grouping, kmeans clustering and hierarchical clustering.
- Explain the main concepts, models, technologies, and services of cloud computing, the reasons for the shift to this model, and its advantages and disadvantages.
- Develop, install, and configure cloud-computing applications under software-as-a-service principles, employing Pig, Hive, and other cloud-computing frameworks and libraries.
- Apply the MapReduce programming model to data analytics in informatics-related domains.
- Evaluate the advantages and disadvantages of deep learning neural network architectures and other approaches in a case study.
- Implement deep learning models in Python using the PyTorch and TensorFlow libraries and train them with real-world datasets.
- Design recurrent neural networks with attention mechanisms for natural language classification, generation, and translation.
- Implement information retrieval concepts and methods to return documents automatically based on user queries.

## SBD 6.1

### PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

**NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022**

---

#### 1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

#### 1.2 To be completed by the organ of state

*(delete whichever is not applicable for this tender).*

- a) The applicable preference point system for this tender is the **90/10** preference point system.
- b) The applicable preference point system for this tender is the **80/20** preference point system.
- c) Either the **90/10 or 80/20 preference point system** will be applicable in this tender. The lowest/ highest acceptable tender will be used to determine the accurate system once tenders are received.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

#### 1.4 To be completed by the organ of state:

The maximum points for this tender are allocated as follows:

|                                           | POINTS |
|-------------------------------------------|--------|
| PRICE                                     | 80     |
| SPECIFIC GOALS                            | 20     |
| Total points for Price and SPECIFIC GOALS | 100    |

- 1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

## 2. DEFINITIONS

- (a) **“tender”** means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) **“price”** means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) **“rand value”** means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) **“tender for income-generating contracts”** means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) **“the Act”** means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

#### 4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
  - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
- then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.
